Dear 5th Grade Parent/Guardian:

Based on the success of last year's fifth grade one-to-one laptop program, we will be issuing MacBooks to our current fifth grade students. The students will be using the laptop as a tool to support lesson plans, conduct academic research, and enhance curriculum. Along with our administrative team, teachers, and students, I hope that you have the same excitement that is evident throughout John F. Kennedy Intermediate School.

The purpose of this letter is to offer you the option to purchase insurance for the school issued laptop for a small yearly premium that would cover *accidental damage, theft, and vandalism*. Please note that this is an **OPTIONAL** purchase and will be handled directly by the **Worth Ave. Group & Student Insurance Partners**. In the event that your child accidentally damages the laptop or if it is stolen, they would be eligible to receive another laptop for home use. If you choose not to purchase the coverage and the laptop is damaged or stolen, your child will be able to use a laptop in school, but will not be able to take the laptop home.

Enclosed with this letter is an insurance application from the Worth Ave. Group & Student Insurance Partners. If you wish, you can also complete the application online at my.worthavegroup.com/deerparkny. They offer three different levels of coverage, \$55, \$60, and \$65, respectively based on a \$100, \$50, or \$25 deductible. If you decide to purchase the insurance with the Worth Ave. Group & Student Insurance Partners, they will send you a declaration page as proof that the school issued laptop is insured. In the event that your child's laptop is damaged, stolen, or vandalized, please provide this declaration page to my office so that we can assist you in processing your claim in a timely manner. Please also note the laptops that are repaired or replaced under the Worth Ave. Group & Student Insurance Partners insurance policy remain the property of Deer Park Union Free School District. All school district issued laptops will be collected at the end of the school year.

Yours in Education,

Mr. Andrew Choi
