

The Deer Park School District Office of Pupil Personnel Services is offering an **After School Sports Program** for district students with special needs at both the Elementary Level (Grades K-5) and the Secondary Level (Grades 6-12).

The **After School Sports Program** will run this spring for twelve (12) weeks under the direction of special education teachers and coaches. The program is designed for students to be taught game rules in addition to the proper skills and techniques needed to play a variety of sports and activities. Appropriate social communication and group interactions will be integrated throughout this interactive program. Students will be learning strategies and the necessary components to foster successful teamwork as well as incorporating physical activity into their daily life.

Details with start date, time and program location to follow.

All parents who would like to have their child participate in this specialized program are encouraged to call Ms. Mary Reynolds, District Administrator of Pupil Personnel Services at (631) 274-4046 with any questions they may have and to enroll their child in this valuable program.

We look forward to hearing from you.
