

Second Notice Winter Dress

January 4, 2012

Dear Parent or Guardian:

The warm December weather has given all of us a false sense of security when it comes to dressing these days especially for outdoor recess. Unfortunately, we are pretty sure the children are continuing to think it will be warm come the afternoon and they are not coming to school prepared to go outside for recess.

Please help us by checking each day to see that your child has a warm jacket or coat, gloves, hat and scarf. We send the children outside each and every day that the temperature and wind chill do not fall below 32 degrees. Students who are not prepared are asked to sit in the cafeteria at a table and lately the number of students is mounting. This is not only boring for them, but it also impacts our lunch aides on the playground. We must keep one aide in to monitor the children at the table and this lessens our coverage on the playground.

Thank you for helping us by making sure your child is properly dressed for the cold weather.

Very sincerely,

Susan Bonner
