Dear Parents/Guardians of all Student-Athletes:

In an effort to streamline the athletic participation process, improve the medical clearance process for sports, as well as to improve communication between the coaches and the parents, we are excited to announce that Deer Park Schools is launching FinalForms. FinalForms is a fully encrypted, on-line portal that will allow you to complete and sign forms from your computer, tablet, or mobile device. It will also allow you to track your child's attendance at practices, scrimmages, and games, as well as provide a communication platform for the coaches to notify and update you about important events.

The best news is: FinalForms saves data from season-to-season and year-to-year, meaning that once you fill out the initial information, you will never need to enter the same information twice!

FinalForms also pre-populates information wherever possible, saving you time if you have multiple children. You may login any time to update information including emergency medical contacts and information. You will be required to sign your forms once per year and any time you make an update.

**If your child plans on participating in a winter sport, you need to create an account ASAP. Please register at:**

Follow the prompts to create your account, manage your students, and sign your forms. Click on the Parent Playbook (attached) for additional guidance.

If you require any support during the process, scroll to the bottom of any page and click 'User Support'. If you need further assistance, please call our athletic office at 631-274-4180.

Thank you for your assistance in streamlining processes, boosting compliance, and increasing safety in our school district.

Sincerely,

Dom Fontana
Director of Athletics
