PHYSICAL & DENTAL EXAMINATION REQUIREMENTS

Dear Parents/Guardians:

New York State law requires all children entering the school district for the first time, and when entering Pre-K or Kindergarten, 2nd grade, 4th grade, 7th grade and 10th grade to have a physical examination completed by a New York State licensed physician, nurse practitioner or physician assistant. As part of the physical examination, a dental certificate, completed by a dentist or dental hygienist is required at the same time.

- A copy of the physical examination and dental certificate must be provided to the school no more than 30 days after your child first starts school, and when your child begins Kindergarten, 2nd grade, 4th grade, 7th grade and 10th grade.
- If your child has an appointment for a physical exam during the school year that is after the first 30 days of school, please provide your child's school nurse with documentation of the appointment date from the healthcare provider. Physical exams must be done less than 1 year prior to date of entry into school.
- Please make copies of the completed forms for your own records before sending them to the school health office.

If you should have any questions or concerns regarding the NYS health and dental requirements, please contact your child's school nurse.

DEER PARK SCHOOL DISTRICT/DENTAL HEALTH FORM

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: School entry, Pre-K, K, 2, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible

SECTION 1. To be completed by Parent or Guardian (Please Print)

yes _____ no _____

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health. I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Eva J. Demyen
Superintendent

Anastasia Tzortzatos
District Administrator of
Instructional Technology

Dear Parent/Guardian:

As a new school year begins, we are required to review the Deer Park School District's Acceptable Use Policy (AUP) with you and your child. The AUP requires that every student who accesses the district's computer network and browses the Internet during school to turn in a parent/student signed AUP. The AUP is enclosed with this letter and should be read by both parent/guardian and student. It must be renewed each and every school year.

Through the district's computer network, students have access to a wealth of databases and educational resources worldwide. The Deer Park School District maintains a web filter that is designed to block access to inappropriate websites; however, keep in mind that no web filter is 100% effective. Our staff will remain vigilant in monitoring student access to the Internet and inform my office of potentially inappropriate websites, which we can block. As a district, we believe that the benefits to the students from access to the Internet, in the form of educational resources and opportunities for collaboration exceed the disadvantages. District personnel will continue to provide students with computer and Internet safety lessons to ensure that our students have the tools they need to be safe and successful learners in the 21st Century.

Please review the AUP with your child and sign the form on the last page agreeing to comply with Deer Park School District's computing policies. **Only** the signed last page should be returned to your child's homeroom teacher (or English teacher at the High School). Any student who does not have a signed AUP by the required date will have their computer network access deactivated and will be unable to access the school computers until the signed AUP is received.

Yours in Education,

Ms. Anastasia Tzortzatos
District Administrator for Instructional Technology

CC: Ms. Eva Demyen, Superintendent
Board of Education

COMPUTER RESOURCES AND DATA MANAGEMENT REGULATION
“ACCEPTABLE USE POLICY”

The following rules and regulations govern the use of the district's computer network system, employee access to the Internet, and management of computerized records. It is in its entirety and represents the district's “Acceptable Use Policy.”

I. Administration

- The Superintendent of Schools shall designate a District Administrator of Instructional Technology, Data Warehousing & Information System to oversee the district's computer network.
- The District Administrator of Instructional Technology, Data Warehousing & Information System shall monitor and examine all network activities, as appropriate, to ensure proper use of the system.
- The District Administrator of Instructional Technology, Data Warehousing & Information System shall develop and implement procedures for data back-up and storage. These procedures will facilitate the disaster recovery and notification plan and will comply with the requirements for records retention in compliance with the district's policy on School District Records (1120); taking into account the use of onsite storage and storage in the cloud.
- The District Administrator of Instructional Technology, Data Warehousing & Information System shall be responsible for disseminating and interpreting district policy and regulations governing use of the district's network at the building level with all network users.
- The District Administrator of Instructional Technology, Data Warehousing & Information System shall provide employee training for proper use of the network and will ensure that staff supervising students using the district's network provide similar training to their students, including providing copies of district policy and regulations (including policy 4526, Computer Use in Instruction) governing use of the district's network.
- The District Administrator of Instructional Technology, Data Warehousing & Information System shall take reasonable steps to protect the network from viruses or other software and network security risks that would comprise the network.
- All student and employee agreements to abide by district policy and regulations and parental consent forms shall be kept on file in the District Office and/or Office of the Department of Instructional Technology.
- Consistent with applicable internal controls, the Assistant Superintendent of Business in conjunction with the District Administrator of Instructional Technology, Data Warehousing & Information System, will ensure the proper segregation of duties in assigning responsibilities for computer resources and data management.

II. Internet Access

Student Internet access is addressed in policy and regulation 4526, Computer Use in Instruction. District employees and third party users are governed by the following regulations:

- Employees will be issued an e-mail account through the district's computer network.
- Employees are expected to review their e-mail daily.
- Communications with parents and/or students should be saved and the district will archive the e-mail records according to procedures developed by the District Administrator of Instructional Technology, Data Warehousing & Information System.
- Employees may access the Internet for education-related and/or work-related activities.
- Employees shall refrain from using computer resources for personal use.
- Employees are advised that they must not have an expectation of privacy in the use of the district's computers.
- Use of computer resources in ways that violate the acceptable use and conduct regulation, outlined below, will be subject to discipline.

III. Acceptable Use and Conduct

The following regulations apply to **all staff and third party users** of the district's computer system:

- Access to the district's computer network is provided solely for educational and/or research purposes and management of district operations consistent with the district's mission and goals.
- Use of the district's computer network is a privilege, not a right. Inappropriate use may result in the suspension or revocation of that privilege.
- Each individual in whose name an access account is issued is responsible at all times for its proper use.
- All network users will be issued a login name and password. Passwords must be changed periodically.
- Only those network users with permission from the District Administrator of Instructional Technology may access the district's system from off-site (e.g., from home).
- All network users are expected to abide by the generally accepted rules of network etiquette. This includes being polite and using only appropriate language. Abusive language, vulgarities and swear words are all inappropriate.

- Network users identifying a security problem on the district's network must notify appropriate staff. Any network user identified as a security risk or having a history of violations of district computer use guidelines may be denied access to the district's network.

IV. Prohibited Activity and Uses

The following is a list of prohibited activity for **all staff and third party users** concerning use of the district's computer network. Any violation of these prohibitions may result in discipline or other appropriate penalty, including suspension or revocation of a user's access to the network.

- Using the network for commercial activity, including advertising.
- Infringing on any copyrights or other intellectual property rights, including copying, installing, receiving, transmitting or making available any copyrighted software on the district computer network.
- Using the network to receive, transmit or make available to others obscene, offensive, or sexually explicit material.
- Using the network to receive, transmit or make available to others messages that are racist, sexist, abusive or harassing to others.
- Use of another's account or password.
- Attempting to read, delete, copy or modify the electronic mail (e-mail) of other system users.
- Forging or attempting to forge e-mail messages.
- Engaging in vandalism. Vandalism is defined as any malicious attempt to harm or destroy district equipment or materials, data of another user of the district's network or of any of the entities or other networks that are connected to the Internet. This includes, but is not limited to, creating and/or placing a computer virus, malware on the network, and not reporting security risks as appropriate.
- Using the network to send anonymous messages or files.
- Revealing the personal address, telephone number or other personal information of oneself or another person.
- Using the network for sending and/or receiving personal messages.
- Intentionally disrupting network traffic or crashing the network and connected systems.
- Installing personal software, using personal disks, or downloading files on the district's computers and/or network without the permission of the appropriate district official or employee.
- Using district computing resources for fraudulent purposes or financial gain.
- Stealing data, equipment or intellectual property.
- Gaining or seeking to gain unauthorized access to any files, resources, or computer or phone systems, or vandalize the data of another user.

- Wastefully using finite district resources.
- Changing or exceeding resource quotas as set by the district without the permission of the appropriate district official or employee.
- Using the network while your access privileges are suspended or revoked.
- Using the network in a fashion inconsistent with directions from teachers and other staff and generally accepted network etiquette.

V. No Privacy Guarantee

Users of the district's computer network should not expect, nor does the district guarantee, privacy for electronic mail (e-mail) or any use of the district's computer network. The district reserves the right to access and view any material stored on district equipment or any material used in conjunction with the district's computer network.

VI. Sanctions

All users of the district's computer network and equipment are required to comply with the district's policy and regulations governing the district's computer network. Failure to comply with the policy or regulation may result in disciplinary action as well as suspension and/or revocation of computer access privileges.

Any information pertaining to or implicating illegal activity will be reported to the proper authorities. Transmission of any material in violation of any federal, state and/or local law or regulation is prohibited. This includes, but is not limited to materials protected by copyright, threatening or obscene material or material protected by trade secret. Users must respect all intellectual and property rights and laws.

VII. District Responsibilities

The district makes no warranties of any kind, either expressed or implied, for the access being provided. Further, the district assumes no responsibility for the quality, availability, accuracy, nature or reliability of the service and/or information provided. Users of the district's computer network and the Internet use information at their own risk. Each user is responsible for verifying the integrity and authenticity of the information.

The district will not be responsible for any damages suffered by any user, including, but not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions caused by the user's own negligence or any other errors or omissions. The district also will not be responsible for unauthorized financial obligations resulting from the use of or access to the district's computer network or the Internet.

The district will take reasonable steps to protect the information on the network and provide a secure network for data storage and use, including ensuring that contracts with vendors address data security issues and that district officials provide appropriate oversight. Even though the district may use technical and/or manual means to regulate access and information, these methods do not provide a foolproof means of enforcing the provisions of the district policy and regulation.

VIII. Network Etiquette and Privacy

Users are expected to abide by the rules of network etiquette. These rules include, but are not limited to, the following:

1. Users must login with their own user ID and password, where applicable, and must not share this information with other users. They must also log off after their session has finished.
2. Users finding machines logged on under other users username should log off the machine whether they intend to use it or not.
3. Be polite – never send or encourage others to send abusive messages.
4. Use appropriate language – users should remember that they are representatives of the school on a global public system. Illegal activities of any kind are strictly forbidden.
5. Do not use language that could be calculated to incite hatred against any minority group.
6. Privacy – do not reveal any personal information (e.g. home address, telephone number) about yourself or other users. Do not trespass into other user's files or folders.
7. Password – do not reveal your password to anyone. If you think someone has learned your password then contact the District Administrator of Instructional Technology.
8. Electronic mail – Is not guaranteed to be private. Messages relating to or in support of illegal activities will be reported to the authorities. Do not send anonymous messages.
9. Pupils will not be allowed access to unsupervised and/or unauthorized chat rooms and should not attempt to gain access to them.
10. As part of our E-Rate and CIPA compliance, the District uses a filtering system to block inappropriate content from being accessed on the network. Staff or students finding unsuitable websites through the school network should report the web address to the District Administrator of Instructional Technology. In the event that an educational site is blocked, please fill out the appropriate form available on the Instructional Technology website and send it to the Instructional Technology Department.
11. Any personal laptop must be registered with the Instructional Technology Department prior to accessing the wireless network. The form is available on the Instructional Technology website.

12. Do not attempt to visit websites that might be considered inappropriate. Such sites would include those relating to illegal activity. All sites visited leave evidence in the network and on the computer. Downloading some material is illegal and the police or other authorities may be called to investigate such use.
13. Unapproved system utilities and executable files will not be allowed in pupils' work areas or attached to e-mail.
14. Files held on the school's network will be regularly checked by the Instructional Technology Department.
15. Other than e-Boards and curriculum/course related blogs, web pages or through district issued e-mail accounts, social interactions between teachers and students are prohibited.
16. It is the responsibility of the User (where appropriate) to take all reasonable steps to ensure compliance with the conditions set out in this Policy document, and to ensure that unacceptable use of the Internet/Intranet does not occur.

Additional Guidelines

- Users must comply with the acceptable use policy of any other networks that they access.
- Users must not download software without approval from the Instructional Technology Department.

Services

There will be no warranties of any kind, whether expressed or implied, for the network service offered by the school. The school will not be responsible for any damages suffered while on the system. These damages include loss of data as a result of delays, non-deliveries, or service interruptions caused by the system or your errors or omissions. Use of any information obtained via the network is at your own risk.

Network Security

Users are expected to inform the District Administrator of Instructional Technology immediately if a security breach is identified. Do not demonstrate this problem to other users. Users must login with their own user ID and password, where applicable, and must not share this information with other users. Users identified as a security risk will be denied access to the network.

Physical Security

Staff users are expected to ensure that portable equipment such as laptops, digital cameras, iPads, iPod Touches and remote responders are securely locked away when they are not being used.

Media Publications

For the safety of our students, District employees should follow these guidelines when posting student-related information to the District's Web site:

- Documents/pictures may not include student last names.
- Family information (address, telephone number, e-mail address, etc.) may not be posted.
- Student location information (schedule, after-school activity participation, bus stop, etc.) may not be posted.

Publishing includes, but is not limited to:

- the school website/eBoards/blogs/wikis
- web broadcasting
- online newspapers

SPECIAL EDUCATION INFORMATIONAL NOTICE

Dear Parent/Guardian:

In order to support services for students whose educational needs require special attention, the Office of Pupil Personnel services provides professional assistance through the following programs: health services, psychological and social work services, guidance and counseling, speech and language therapy, special education classes, attendance monitoring, home instruction, special education testing and evaluation, special transportation, the Committee on Special Education (CSE), and the Committee on Preschool Special Education (CPSE).

If you suspect your school age child of having an educationally disabling condition, as defined in the regulations of the commissioner of education Part 100 of Section 4402 of the Education Law, you may request an evaluation by the Committee on Special Education. Children who are receiving special education services are reviewed by this committee on an annual basis. Referrals to the Committee on Preschool Special Education for children ages 3 to 4 years old can be requested by contacting the Office of Pupil Personnel services.

Should you have specific questions regarding the Special Education process you may refer to the New York State Education Department's website at: www.p12.nysed.gov/specialed/publications/policy/parents_guide.pdf, or the school district website at www.deerparkschools.org.

Questions regarding the referral process and how to initiate an evaluation by the Committee on Special Education (CSE) can be directed to:

Mr. Frank Caliguiri, Assistant Superintendent of Pupil Personnel Services
Deer Park Union Free School District

New York State Immunization Requirements for School Entrance/Attendance¹

NOTES: Children in a pre-kindergarten setting should be age appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee for Immunization Practices (ACIP).

For grades pre-k through 7, intervals between doses of vaccine should be in accordance with the ACIP recommended immunization schedule for persons 0 through 18 years of age (*exception: intervals between doses of polio vaccine only need to be reviewed for grades kindergarten, 1, 6 and 7*). Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. Intervals between doses of vaccine **DO NOT** need to be reviewed for grades 8 through 12. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule.

| VACCINES | PRE-KINDERGARTEN (Day Care, Head Start, Nursery or Pre-k) | KINDERGARTEN through 1 | GRADES 2 through 5 | GRADES 6 through 7 | GRADES 8 through 12 |
|---|---|---|-----------------------|---|------------------------|
| Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap) ² | 4 doses | 5 doses or 4 doses if the 4 th dose was received at 4 years of age or older or 3 doses if the series is started at 7 years of age or older | | 3 doses | |
| Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine booster (Tdap) ³ | Not applicable | | | 1dose | |
| Polio vaccine (IPV/OPV) ⁴ | 3 doses | 4 doses or 3 doses if the 3 rd dose was received at 4 years of age or older | 3 doses | 4 doses or 3 doses if the 3 rd dose was received at 4 years of age or older | 3 doses |
| Measles, Mumps and Rubella vaccine (MMR) ⁵ | 1dose | 2 doses | | | |
| Hepatitis B vaccine ⁶ | 3 doses | 3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between 11through 15 years of age | | | |
| Varicella (Chickenpox) vaccine ⁷ | 1dose | 2 doses | 1dose | 2 doses | 1dose |
| Haemophilus influenzae type b conjugate vaccine (Hib) ⁸ | 1to 4 doses | Not applicable | | | |
| Pneumococcal Conjugate Vaccine (PCV) ⁹ | 1to 4 doses | Not applicable | | | |

1. Demonstrated serologic evidence of measles, mumps, rubella, hepatitis B, varicella or polio (for all three serotypes) antibodies is acceptable proof of immunity to these diseases. Diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at ages 2, 4, 6, 15 through 18 months, and 4 years of age or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. If the fourth dose of DTaP was administered at age 4 years or older, the fifth (booster) dose of DTaP vaccine is not necessary.
 - c. For children born prior to 1/1/2005, doses of DT and Td meet the immunization requirement for diphtheria toxoid-containing vaccine.
 - d. Children ages 7 through 10 years who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td vaccine. A Tdap vaccine (or incorrectly administered DTaP vaccine) received at 7 years of age or older will meet the 6th grade Tdap requirement.
 - e. For previously unvaccinated children 7 years of age and older, the immunization requirement is 3 doses. Tdap should be given for the first dose, followed by two doses of Td in accordance with the ACIP recommended immunization schedule for persons 0-18 years of age: an initial Tdap followed 4 weeks later by a Td, and 6 months later by another Td.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine. (Minimum age: 7 years)
 - a. Students 11 years of age or older entering grades 6 through 12 are required to have one dose of Tdap. A dose received at 7 years of age or older will meet this requirement.
 - b. Students who are 10 years old in grade 6 are in compliance until they turn 11 years of age.
4. Inactivated poliovirus vaccine (IPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at ages 2, 4, 6 through 18 months and 4 years of age or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. For students who received their fourth dose before August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
 - c. If the third dose of polio vaccine was received at age 4 years or older, the fourth dose of polio vaccine is not necessary.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
 - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. Students in grades kindergarten through 12 must have received 2 doses of measles-containing vaccine, 2 doses of mumps-containing vaccine and at least 1 dose of rubella-containing vaccine.
 - c. One dose of MMR is required for pre-kindergarten.
6. Hepatitis B vaccine.
 - a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be received at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than 24 weeks of age.
 - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (Chickenpox) vaccine. (Minimum age: 12 months)
 - a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.

- b. Two doses of varicella vaccine are required for students in grades kindergarten, 1, 6 and 7.
 - c. One dose of varicella vaccine is required for pre-kindergarten and grades 2 through 5 and 8 through 12.
8. Haemophilus influenzae type b conjugate vaccine (Hib). (Minimum age: 6 weeks)
- a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and 12 through 59 months of age.
 - b. If 2 doses of vaccine were received before 12 months of age, only 3 doses are required with dose 3 at 12 through 15 months of age and at least 8 weeks after dose 2.
 - c. If dose 1 was received at ages 12 through 14 months of age, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
 - d. If dose 1 was received at 15 months of age or older, only 1 dose is required.
 - e. Hib vaccine is not required for children 5 years of age or older.
9. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
- a. Children starting the series on time should receive PCV vaccine at ages 2 months, 4 months, 6 months and 12 through 59 months of age. The final dose must be received at age 12 through 59 months of age.
 - b. Unvaccinated children 7 through 11 months of age are required to receive 2 doses, at least 4 weeks apart, followed by a 3rd dose at age 12 through 15 months.
 - c. Unvaccinated children 12 through 23 months of age are required to receive 2 doses of vaccine at least 8 weeks apart.
 - d. If one dose of vaccine was received at 24 months of age or older, no further doses are required.
 - e. For further information, refer to the PCV chart available in the School Survey Instruction Booklet at <http://www.health.ny.gov/prevention/immunization/schools/>.
