Phone: (631) 274-4380 • Fax: (631) 242-2517

## Deer Park School District *Campus Backpack*

Starting the 2013-14 school year, our school district will provide progress reports and report cards (Robert Frost/High School) electronically through our secure *Campus Backpack* in the Parent Portal in lieu of postal mail. The Parent Portal currently provides real time access to student attendance history, grades, assessment scores, transportation, schedules, and teacher messages. As the legal parent/guardian, if you do not have a Parent Portal account, you may sign up by completing the *Parent Portal Access Form* available at: [www.deerparkschools.org/our\\_district/infinite\\_campus\\_portal](http://www.deerparkschools.org/our_district/infinite_campus_portal). In the event that you do not remember your username or password, please e-mail [parentportal@deerparkschools.org](mailto:parentportal@deerparkschools.org) with your request using the e-mail address used to originally register for the account.

## Logging into the Parent Portal & *Campus Backpack*

Once you have a Parent Portal account, you can login to access the *Campus Backpack*.

1. To access the Parent Portal, navigate to the Deer Park School District website ([www.deerparkschools.org](http://www.deerparkschools.org)) using your web browser of choice and *click on Parent Portal* under the “For Community” area.

2. Login using your provided *Parent Portal* username and password. Please note that your password is case-sensitive.

The image shows the login page for the Infinite Campus Parent Portal. The page has a green header with the 'Infinite Campus' logo and the tagline 'Transforming K12 Education®'. Below the header, there is a white login form with a green border. The form includes a 'Username' field, a 'Password' field, and a 'Sign In >>' button. A red 'Campus Portal' button is located in the top right corner of the form area. Below the 'Sign In' button, there is a 'HELP' dropdown menu. The text 'DEER PARK UNION FREE' is displayed in the top right corner of the form area.
