Attendance - (Secondary Level Only)

The attendance menu shows a student's attendance. This option is for the secondary level only. This information can be as specific as a period on a given day or as general as a cumulative view. The following options are available:

- Course
- Period
- Day
- Term

Assessments

This tab provides scores on all state assessments as well as benchmark exams given by the district.

Transportation

This shows the child's bus information.

Demographics

The demographics tab contains the demographic information of the student.

Messages

This tab takes you back to the main page where announcements are listed. Beneath the announcements is an inbox with messages to the parent/guardian.

Household Information

The household information tab provides the home phone number as well as the street address.

Family Members

The family members tab lists all relatives living within the household that the student resides in.
